

TERRACE_{BC}

NEWCOMERS'
GUIDE

A message
from the
**MAYOR OF
TERRACE**

On behalf of Council and the citizens of Terrace, I would like to extend a warm welcome to all visitors and newcomers to our community.

You are invited to explore our spectacular city and see why it is considered the heart of Northwest BC.

It starts with geography: ringed by mountains, our city is made of natural terraces carved by glaciers that moved through the Skeena River valley thousands of years ago. This beautiful landscape makes us a premier location of year-round recreational opportunities for the whole family.

The choices are endless, from world-class fishing on the Skeena River to hiking and biking trips through the breathtaking backcountry. Go golfing at the base of a majestic mountain, raft down a raging river, or ski exhilarating slopes and peaceful Nordic trails.

We are also the heart of Northwest BC because of our people. Our growing community embodies the spirit of super, natural British Columbia. We're proud of our small-town roots and authentic culture. The Indigenous Peoples of the area are one of the oldest populations still occupying the same land as their ancestors, and this is why their rich history, art, and culture is still very active in Terrace today.

As BC's service and supply centre for the Northwest, Terrace is a vibrant hub of activity for all who live and play here. We have modern retail businesses and restaurants, offering options to shop local or enjoy familiar favourites. Our thriving arts community and local food producers help us boast the largest farmers market in Northern BC.

Whether you stay for a day or make Terrace your new home, you'll find friendly faces and new discoveries in every journey.

Mayor Carol Leclerc, City of Terrace

A message from
**EXECUTIVE DIRECTOR &
BOARD OF DIRECTORS**

It's an exciting time to be in Terrace! Whether you are visiting for the first time, returning to see family and friends, or you're considering a move here, you'll find a lot to see and do throughout the year. Terrace is your gateway to the best outdoor adventure in northern BC. Grab your fishing pole and drop a line in the mighty Skeena River. Or feel your adrenalin surge with a day of incredible mountain biking on our new and challenging trails.

You'll find some of the best winter activities here. Terrace is home to the hidden gem that is Shames Mountain, which can only be described as one of the best family oriented powder-mountains in the province.

If you're seeking a quieter adventure, we have that too – fresh air, scenic viewpoints, a variety of local eateries, our own craft brewery, unique boutiques, and a vibrant music and arts scene are waiting for you.

While you're here, make sure you stop in to our Visitor Centre located at the east entrance of the city. Our friendly and knowledgeable counsellors can help you plan your activities, provide local insight and share their favourite spots with you, and you may even find a unique keepsake at our gift shop to remind you of your time here.

A visit to Terrace will keep you busy. Whether you're skiing, fishing, shopping or enjoying a meal at a local eatery, you'll want to come back!

ABOUT TERRACE

The junction of the Skeena and the Kitsumkalum Rivers was originally the site of a Tsimshian Indian Village. Fur trading and gold prospecting were the principal activities along the Pacific Shore, including the Skeena area from 1770 to 1900. In the early 1890's, a steamboat route was established up the Skeena as far as Hazelton and Tom Thornhill settled permanently near what is now known as "Little Canyon" on the south side of the Skeena.

Terrace was once known as the cedar pole capital of the world. Over 50,000 poles were manufactured annually to supply many parts of this continent with telephone and electric power poles. The world's tallest pole of 50 metres (162 feet) was cut in Terrace and is currently standing in New York City.

Fishing is what attracts many to the Terrace area, with scenic waterways and five different types of BC salmon and Steelhead finding their way in the Skeena River if you are looking for a good fight. The world record Spring (King) salmon weighing in at 44.91 kg. (99 lbs.) was caught by a visiting German tourist.

Welcoming Community Program

Skeena Diversity Society is primarily a resource centre for immigrants and newcomers to Terrace. We are committed to building a community which is welcoming and inclusive of all its citizens, a place where people have the opportunity to get to know each other, be creative, active residents, be curious and contribute their own ideas. It is a community where diversity is celebrated, and dialogue is a way of life
