

TERRACE<sub>BC</sub>

# downtown murals and public art

## discover the **WOW** OF TERRACE

Welcome to Terrace, your home base for exploring northwestern BC's spectacular outdoors. From fishing, biking, camping and exploring the backcountry in the summer to hitting the slopes, cross-country skiing to ice fishing, there's so much to discover. Whether you are looking for live music, shopping at local boutiques or exploring the rich history of the region's Indigenous communities – Terrace is where your adventure begins.

Take a walking tour of our vibrant downtown and explore the many colourful murals and spectacular public art on display. Discover why Terrace is becoming a world-class destination for public art. New artwork is added every summer, so make sure to check out the Skeena Salmon Arts Festival Society's web site to learn more about Terrace's murals, public art, and the artists who create them.

**TERRACE** BC

## for everyone excitement outdoor parks & playgrounds

There are so many places to play games, have picnics and kick a ball around in Terrace. Check out some of our favourite places to bring the family. To learn more visit Family friendly activities:

## epic rides biking trails

Terrace has a diverse range of biking trails to challenge riders of all abilities. With two mountain bike networks in the city, an in-town pump track and a growing offering of family-friendly rides, Terrace is a biking hub. Check out our stellar mountain bike trails in surrounding areas. Make sure to check out the Terrace Off Road Cycling Association - this non-profit organization helps build and maintain area trails. Be a good steward of the land - purchase a TORCA membership and do your part to support trail development and maintenance.
